

European Cybersecurity Hackathon 2025: Become a Mentor!

17–19 October, 2025

Orczy Campus, Budapest, Hungary

Organised by Ludovika University (NKE) and IVSZ with CyberHubs

CyberHubs is a 3-year initiative joining forces to enhance the cybersecurity professional skills ecosystem in Europe. CyberHubs has established a sustainable **network of seven Cybersecurity Skills Hubs in Europe**. These hubs will promote the development of professional skills in cybersecurity and support the development of a skilled cybersecurity workforce in the short, medium and long term.

YOUR EXPERTISE CAN SHAPE EUROPE'S CYBER FUTURE

The European Cybersecurity Hackathon 2025 is more than a competition — it is a catalyst for innovation, talent development, and collaboration across Europe's digital ecosystem. As a mentor, you will work directly with the next generation of cybersecurity professionals and play a crucial role in transforming bold ideas into actionable solutions.

Mentors are at the heart of this event: guiding teams, providing strategic and technical input, and helping turn early-stage concepts into working prototypes that tackle real-world cybersecurity challenges.

WHO ARE WE LOOKING FOR?

We welcome experienced professionals with a background in cybersecurity or a related discipline, who are passionate about mentoring and sharing their knowledge.

- Demonstrable experience in **IoT Security, AI in cybersecurity**
- **Critical Infrastructure Protection, Network Security; Data Protection & Privacy**
- Strong interpersonal and communication skills; Ability to explain complex topics in an accessible way;
- Experience with coaching, teaching, or mentoring would be appreciated

WHY GET INVOLVED?

- **Make a direct impact on shaping Europe's cybersecurity readiness**
- Discover future colleagues, collaborators or recruits
- Contribute to real innovation in areas of societal and strategic relevance
- Expand your network across academia, government, and the digital industry
- Be recognised as a thought leader and supporter of the cybersecurity ecosystem

WE ARE CURRENTLY ONBOARDING MENTORS: REGISTER NOW!

By mentoring at the European Cybersecurity Hackathon 2025, you're not just guiding teams, you're empowering innovation that protects Europe's digital future.
