

Join us in securing Europe's digital future
Sponsor the European Cybersecurity Hackathon 2025

17–19 October, 2025

Orczy Campus, Budapest, Hungary

Organised by Ludovika University (NKE) with CyberHubs

CyberHubs is an EU-funded Erasmus+ initiative aimed at enhancing cybersecurity competencies and fostering collaboration between academia and industry across seven European countries. The project focuses on developing practical skills, facilitating knowledge exchange, and strengthening the cybersecurity ecosystem through targeted events and educational programmes.

Europe's Cyber Future Starts Here. The brightest minds. The biggest challenges. The boldest ideas. This is where innovation meets action. From IoT vulnerabilities to AI-driven attacks and critical infrastructure threats, the European Cybersecurity Hackathon 2025 is a rallying point for the next generation of digital defenders.

As part of the EU-funded CyberHubs initiative, this international event connects academia, industry, and government to drive innovation that matters.

Be part of the change: Because through this event you're investing in cutting-edge cybersecurity skills, university-industry partnerships, and real-world innovations that defend Europe's digital infrastructure. You'll be at the heart of breakthrough thinking, real-time problem solving, and unmatched visibility.

As a sponsor, you will gain:

- Prominent brand exposure during and after the event (on-site, online, in media)
- Access to top cybersecurity talent from across Europe
- Opportunity to shape real-world solutions to critical digital threats
- Recognition as a strategic partner in Europe's cybersecurity resilience

Let's Build Resilience, Together.

Take your place in shaping the future. Whether you're offering tech tools, mentorship, funding, or media power — your contribution will be felt, seen, and remembered.

DEADLINE TO SUBMIT INTEREST IN SPONSORING THE EVENT: 30 JUNE 2025
